**Subject:** Dimock - Draft SAP for Round 2

Rich,

As promised here is a draft copy of the Sampling Plan for the Round 2 sampling to be conducted at the Dimock Site. Please review and let me know if any changes are required.

Please note that Table 1 and 2 of the Plan have information which shows which labs will be performing each analysis. This is a carry-over from the initial sampling and once the labs have been officially assigned will be updated to reflect this. Also, I left the radiation analysis in the Plan. Upon further review if it is determined that radiation analysis will not be performed, I will remove it from the Plan.

Thanks and have a great weekend.
